

Just Cruis'in

Just Cruis'in is purely a pleasure cruise charter with a simple theme of "enjoyment".

Imagine cruis'in along with a warm breeze in the clear blue waters of the Coral Sea, the sandy shores of the Sunshine Coast in the background. A gourmet lunch, or just a few nibbles with a cold glass of your favorite beverage, will complete a memorable and relaxing experience.

This option is ideally suited to provide a rejuvenating break from the rigors of a business conference or meeting. It is also ideal for a conference partner activity.
